One of Italy's most famous grapes is Sangiovese. This 'divine' grape - from 'sanguis Jovis' means 'the blood of Jove'.

Medium bodied with red fruit characteristics, earthy notes, herbal and spicy goodness. Oak aged to help soften the tannins (Hungarian, French, USA). This is one of only 2 or 3 in the Okanagan and ours hails from the Black Sage Bench area at Ferreira Vineyard. 'Super Okanagan' is in reference to the 5% Merlot and Cab. Franc that is blended in as they do for many Super Tuscan wines.

Tomahawk - a pairing fit for the gods, Sangiovese and a Modest Butcher tomahawk steak.

Modest Architecture - nice wall that wall.

Jove/Jupiter/Zeus - God of Sky, himself.

Artsy Vineyard shot - Quinta Ferreira Vineyard.

Wild Sage basking in sun on the Black Sage Bench.
