

les cinq sink 2022

in the name

a cooler vintage that was in no rush may not have seen these five get plush, but they were tickity-boo for a nice zippy blush. a bordelaise reversal of sorts from the vintage that almost never came, combining 'les cinq' of the left bank as a yacht-worthy rosé.

artistic appropriation of our modest cellar drain, or 'sink', as it were.

literal shades, very pink shades, of château latour in pauillac.

we'd suggest a clever, coy, and hilarious pairing here. But since we're a few deep, let's go with sunshine, baby.
