

odd couple vol. II 2021

in the name

truly bizarre. truly original. eminently quaffable. 300 million combined cases of 'cab sauv' and 'pinot grige' are sold each year on this planet. we put the two together and bottled 192 boxes just for you.

we like cabernet sauvignon with birds on their labels. we have no idea why, it just seems to make them better.

forklifter extraordinaire, our very own Rick James. ever since he laid eyes on his first black & white cookie, he's been dreaming of the opportunity to replicate the such harmony in vinous form. look to the cookie, people.

it is our personal feeling that charcuterie boards will some day save the world. to this end, we seek to craft the perfect red-ish companion to said boards.
